

Payment

Accepted payment methods include e-transfer or credit card (Visa or Mastercard only). If e-transfer is the preferred payment method, a credit card is still required to be kept on file. If e-payment is not received within 48 hours of your appointment, the fee will be put through on your credit card.

Please be aware that our services are not covered by the Medical Service Plan (MSP).

Receipts will be issued to clients electronically. These receipts may be submitted to insurer for reimbursement. Please contact your insurer to find out the terms and conditions of your annual extended health plan coverage.

Hours of Operation

Individual appointments are available Monday through Friday, including some evenings, depending on availability of individual clinicians.

Appointments are typically scheduled with your individual DBT therapist.

Please check our website for updated info about our current group meeting times.

Cancellation Policy

A minimum of 48 hours is required to cancel an individual session without charge. If a session starts late it will end at the originally scheduled time with the same fee arrangement as for a full session.

Please note there is a *no-cancellation policy* for group sessions. This means that participants will be charged for missed sessions even with advance notice. However, participants will not be charged for further sessions if they give 48 hours notice to withdraw from the group. Participants could withdraw at any time.

Dialectical Behavioural Therapy Skills Training

WISE MIND
CENTRE

Who may benefit from the DBT skills group?

Individuals who struggle with the following:

- ✦ Borderline personality disorder
- ✦ Suicide ideations
- ✦ Self-harm urges and behaviours
- ✦ Substance use problems
- ✦ Emotion dysregulation and reactivity
- ✦ Impulsiveness and high risk behaviours
- ✦ Interpersonal conflict
- ✦ Ineffective ways of coping
- ✦ Eating problems
- ✦ Treatment-resistant depression
- ✦ *Individuals who suffer from chronic psychosis may not benefit from DBT group*

Individual Therapy

Therapy consists of weekly sessions utilizing DBT assessment and treatment strategies. Treatment focuses on improving cognitive, behavioral, and emotional regulation in order to help the individual to build a life worth living and to work toward goals they want to achieve in treatment.

DBT Phone Coaching

Clinicians are available to provide phone coaching in between sessions to facilitate skill acquisition and rehearsal (available only to clients who participate in our comprehensive DBT program).

For more information about the effectiveness of DBT and for whom DBT may work, please visit:

<https://behavioraltech.org/research/evidence/>

Components of a comprehensive DBT Program:

Individual Therapy
(50-min weekly session)

26-week Skills Group
(2-hour weekly session)

Phone Coaching

DBT Consultation Team
(weekly for clinicians)

DBT Skills Group

A standard DBT skills group covers the following skills modules, over a course of 26 weeks:

- ✦ Mindfulness Skills (6 weeks)
- ✦ Emotion Regulation (8 weeks)
- ✦ Distress Tolerance (6 weeks)
- ✦ Interpersonal Effectiveness (6 weeks)

Please note that group-only clients are required to be under the care of a mental health professional to participate in one of the groups. The clinician could be someone at our clinic or outside our clinic.
